BUCKLEY PARK COLLEGE

Benjamin Anthony Inverno

1998 ~ 2020

The Benjamin Inverno Memorial Scholarship Fund is an initiative of Simone Andrewartha, Ben's mum. Simone and her team recently raised \$12,870 for the Black Dog Institute "One Foot Forward Together" walk. Proceeds support mental health research.

Simone is passionate about supporting others and is a Mental Health First Aider at the Metro Tunnel project. She also believes that the first step in fighting this disease is by removing the stigma around mental illness and talking about it.

The Benjamin Inverno Memorial Scholarship recipient will be announced at the end of the year Buckley Park College Awards ceremony.
