

Friends of Buckley Park

LEAVE YOUR MARK, STAY INFORMED

'Friends of Buckley Park' (FoBP) is the name of our Parents and Friends group. We consult with the BPC school council to plan and deliver activities that provide services and improved facilities for the students, parents and friends. Joining is a chance for you to contribute to the school community and bring your ideas and suggestions forward that help to improve our children's experience and the environment in which they learn.

FoBP has provided Buckley Park College with:

- Shade sails around various locations to provide more shelter for students
- Landscaping around the school
- An annual FOBP scholarship award
- Contributions to the Performing Arts Centre renovations
- Year 7 Social Events – Tea and Tissue, Picnic in the Park & Welcome BBQ!

FoBP support to the College has included the following:

- Advocacy with the local Members of Parliament that led to the Victorian government allocating \$2 million funding for planning to assist in upgrades to Buckley Park College.
- Fundraising to purchase items that help with enhancing the school learning environment.
- Offering time and services to help with activities at the school
 - Art Show Volunteers
 - Year 7 Welcome BBQ Volunteers
 - School Raffle Fundraiser
 - Organising the Year 11 Senior Ball
- Organising activities to help to build community and connections at the school including the Year 7 Morning Tea, Picnic in the Park & Welcome BBQ and most recently a School Raffle Fundraiser with all proceeds going to the 2025 Theatre production.
