

YEAR 12 PARENT PAYMENT ARRANGEMENTS 2026

BUCKLEY PARK COLLEGE

Dear Parent/Guardian,

Buckley Park College is proud to provide an outstanding secondary school experience for our students and would like to inform you of our Parent Payment request for 2026. We would very much appreciate your prompt payment of the curriculum contributions.

Schools provide students with **free instruction to fulfil the standard Victorian curriculum**, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education, support, and infrastructure for our students.

We want to thank you for all your support, whether that is through voluntary financial contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. Last year your donations helped many students experience their best possible start to life at Buckley Park College. Thank you to the many families whose donations made that possible.

Upgrades across the 2025 school year include:

In 2025, the college continued refurbishing spaces in our A, C and D block. Carpets were replaced in A & D block and painting was refreshed in the C block locker bays and corridors. The college also replaced numerous window coverings and blinds in classrooms.

Additionally, the college refurbished our communal spaces in the Foyer and B Block making collaboration easier and the front reception area more welcoming.

In 2026 we will be focusing our attention on:

In 2026, the college will focus on modernising its remaining spaces, including painting, recarpeting, furnishing, and window shading. Alongside our Capital Works Project, our Building Fund will work towards minor projects, in particularly focusing on the Performing Arts Centre.

Payment Process and closing dates for excursions and Activities on Compass

Cut off dates for payment and consent on Compass are set by the school to assist us in meeting our financial and duty of care requirements for each event. In support of meeting these obligations we will not extend due dates for events or take late payments. Families will receive a notification when an event is published and will be reminded by their classroom teachers about events and when payment and consent must be received. If payment or consent is not received by the due date, your child will be excluded from the activity and will be supervised by teachers at school.

Your support of these initiatives is greatly appreciated. Thank you for your continued support of Buckley Park College.

Yours sincerely,

Harold Cheung
Principal

Christopher Wood
School Council President
